Phase-out schedule of the preceding models:

Last order date 4 months before the discontinuation date.

Last shipping date 2 months before the discontinuation date.

Official phase-out date [as show in the table above](#)

Delta will continue to provide new generations of high-performance servo motors with standard and customized models.

We would like to extend our appreciation for your continuous support. If you have any questions about the phase-out plan, feel free to contact us. Thank you.
